School Organisation – Statutory Proposal: Make a Prescribed Alteration to increase Pupil Numbers

Dear Parents, Carers, Staff, Governors and other stakeholders,

I am writing to inform you that Birmingham City Council (the Council) is publishing the following statutory proposal, in close collaboration with the leadership and governing body of Uffculme School (the School):

- Permanently increase the number of places the School can offer to pupils, from 204 to 266.

The School is a community special school rated ‘Good’ by Ofsted. The School has a capacity of 204 pupils. The School currently offers support to pupils with Autism Spectrum Disorder.

It is due to the steadily growing demand for this type of provision in Birmingham, the Council, working closely with the School making this proposal.

The statutory consultation for this proposal will last four-weeks from 9th June 2022 to 7th July 2022, this is known as the “representation period”.

The Council invites all interested people to comment on the proposal during this representation period.

A copy of the complete proposal document and online survey is available via BeHeard: <https://www.birminghambeheard.org.uk/people-1/uffculmesot10176>

Any comments must be received no later than 7th July 2022.

You can also request a copy of the complete proposal and comment by letter or email using the details at the bottom of this letter (please quote "Uffculme SOT10176 StatPub" in any letter or email).

Yours sincerely,

Jaswinder Didiaily
