Dads & Partners

Webinar

Thursday 20/6/2024

10am-12:30pm

JOIN US TO EXPLORE THE CHALLENGES AND SOLUTIONS SURROUNDING THE DELIVERY OF EFFECTIVE DADS/PARTNERS PMH SUPPORT

The webinar will provide an opportunity to hear and reflect on the stories of dads and partners who have experienced PMH problems and have come out of the other side.

We will be showcasing our local dads/partners pathway partnership model and sharing some of the lessons learned from our 15 years delivering PMH services to dads, identifying some of the barriers partners face.

We'll also share some of the free services and resources that are already out there to support your work with dads/partners, including our award winning short film.

The webinar will be hosted by Rob Ewers and Ben George from the Acacia dads/partners service, who both have their own lived experience of dads PMH.
