1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

The school adopts a *support-first approach* to promoting attendance. We recognise that absence is almost always a symptom of wider unmet needs rather than wilful behaviour. Our first response to attendance concerns will therefore be to understand and address underlying barriers, working in partnership with pupils, families and relevant professionals. Formal sanctions will only be considered after appropriate support has been offered, unless safeguarding concerns require immediate action

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- Equality Act 2010 - The school also recognises its duties under the Equality Act 2010. Attendance expectations, processes and interventions will be applied flexibly and with reasonable adjustments for pupils with disabilities. No pupil will be disadvantaged, directly or indirectly, because of a disability or special educational need.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents/carers
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy
- The Safeguarding Governor will take on responsibility for attendance to monitor attendance data, challenge school leaders, and report findings to the governing board on a termly basis.

3.2 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising Data Officer to be able to do so

- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is Charlotte Stubbs and can be contacted via 0121 464 9634 c.stubbs@uffculm.bham.sch.uk

3.4 The Data Manager

The Data Manager Officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/Data Manager (authorised by the headteacher) when to issue fixed-penalty notices

3.5 Class teacher

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by 9:30 and 1:30

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Head of Site where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9:00am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting their Head of Site who can be contacted via 0121 464 9634 or enquiry@uffculme.bham.sch.uk

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Speak with someone if there is something preventing them from coming into school.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix I for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:45 and ends at 3:05 (3:15 at Secondary and Post 16).

Pupils must arrive in school by 8:45 on each school day.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00 or as soon as practically possible, by calling the school office staff, who can be contacted via 0121 464 9634 or enquiry@uffculme.bham.sch.uk.

Messages relayed to drivers or guides on transport will not be accepted as notification.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 2 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Requests should be made to the school office in the first instance. This will then be passed to the Headteacher for authorisation.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may attempt to do a home visit to lay eyes on the child/young person and make contact with the family.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via annual review and via termly reporting

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
 - Part-time timetables will only be used in exceptional circumstances, as a short-term measure, and where they are in the best interests of the pupil. Any part-time timetable will be agreed in writing with parents and, where appropriate, the local authority, will include a clear rationale, start date, review dates and an intended plan for reintegration to full-time education. Part-time timetables will not be used as a long-term solution or as a sanction for poor attendance.
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' on a case by case basis, taking into account the needs of the students and family circumstance.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office 0121 464 9634 or enquiry@uffculme.bham.sch.uk. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

The school recognises that legal sanctions are not an attendance strategy in themselves. Decisions regarding penalty notices will always be made on a case-by-case basis, following consideration of support offered, safeguarding issues, special educational needs, disability, and the school's duties under the Equality Act 2010.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued. Final decisions regarding prosecution or withdrawal of a penalty notice sit with the local authority.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Attendance thresholds and graduated response

The school uses a graduated approach to attendance support, informed by national guidance:

- 95% and above – Universal support and monitoring
 - 90–94% – Early intervention and short-term support
 - 80–89% – Targeted intervention and planned support
 - Below 80% – Intensive, multi-agency and bespoke support
- A whole school Strategy for attendance (and exclusions)
 - Ensure tiered response to support based on % of attendance bands
 - Year on Year / gender / pathway analysis
 - Susceptible Lists to have higher focus
 - High priority across the school
 - Case by Case knowledge and response

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

We recognise that a small percentage of our students face challenges attending school. We work with families and students to understand root causes. Our Family and Student Wellbeing lead is key to building relationships and trust so that we can ensure that students are supported back into the school. Support is bespoke to each case.

7.2 Pupils absent due to mental or physical ill health or SEND

All of our pupils have an education health and care (EHC) plan. If their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

For some pupils with SEND, particularly those experiencing anxiety, trauma, sensory needs or medical conditions, full-time attendance may not be immediately achievable. In these cases, attendance improvement will be planned and measured using personalised and graduated targets, rather than solely numerical attendance percentages. Progress over time, engagement, and wellbeing will be key indicators of success.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

On occasion some of our students may be off for a length of time due to illness. We will work with the young person and their family to ensure that transition back into school is managed according to the needs of the student.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Heads of Site, to facilitate discussions with pupils and families, and to the governing board and school leaders.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available

- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Headteacher. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy

Appendix 2:

Attendance at Uffculme School

A guide for parents and carers

Our shared aim

We want every child to feel safe, supported, and ready to learn. We recognise that attending school can sometimes be difficult, especially for children with special educational needs or additional needs. We work in partnership with families to help remove barriers to attendance and support children to attend as regularly as they are able to.

Attendance is important because it helps children:

- Build routines and feel secure
- Maintain relationships with staff and peers
- Access the learning, care and support set out in their Education, Health and Care Plan (EHCP)

When should my child attend school?

Children are expected to attend school every day during term time, unless they are unwell or there is another authorised reason for being absent.

If something is making attendance hard for your child, we encourage you to talk to us as early as possible so we can help.

If my child is unwell

Please contact the school before 9:00am on the day of absence to let us know:

- The reason for the absence
- When you expect your child to return

For longer absences, we may ask for some evidence (for example an appointment card or prescription), but we will not ask for this unnecessarily.

Medical and other appointments

- Medical and dental appointments are counted as authorised absence
- Where possible, please try to arrange appointments outside school hours
- If this isn't possible, your child should miss the minimum amount of school time

Term-time leave (including holidays)

The school can only authorise time off during term time in very exceptional circumstances, as set out in national regulations.

This means:

- Family holidays are unlikely to be authorised
- Each request is considered individually
- Evidence may be requested

If time off is taken without permission, it may be recorded as unauthorised absence and could lead to further action.

Children with SEND, health needs, or anxiety

We understand that some children experience genuine difficulties attending school due to:

- Anxiety or emotional wellbeing needs
- Medical conditions
- Sensory or environmental challenges

For these children:

- Attendance support is planned carefully and individually
- Improvement may be gradual
- Success is measured using progress, engagement and wellbeing, not just attendance percentages

Where needed, the school will work with families and the local authority to put additional support in place.

What support does the school offer?

If attendance becomes a concern, we will:

- Listen carefully to you and your child
- Seek to understand barriers to attendance
- Offer support and reasonable adjustments
- Work with other professionals where appropriate
- Agree next steps together

Our approach is always support-first, not punishment-first.

Attendance concerns and legal responsibilities

Parents have a legal duty to ensure their child receives a suitable education. Where attendance does not improve despite support:

- The school may work with the local authority
- Parents may receive a formal notice or, in some cases, a penalty notice

Any decisions about legal action are:

- Made carefully
- Consider individual circumstances
- Take into account SEND, health needs and disability
- Used only when other support has not been successful

How we keep in touch

We will keep you informed about your child's attendance through:

- Ongoing contact where attendance is a concern
- Review meetings
- Annual reviews
- Termly reports

We value open and honest communication and encourage parents to raise concerns early.
