at any time

A unique 4 week program for learners with special needs hosted by Birmingham Community Libraries

It'll be okay, Mae

A virtual story time to help our special learners to cope with change

Mae and her astronaut parents are about to return to Earth after spending six months in their space rocket. Mae is excited about returning to Earth but also a little bit worried about how different it will be. Before she goes to sleep, she asks her Mum some questions.

Join our group of professionals for a very special story time

Week 2

Tracey from Baskerville School

Additional exploration of the story

For learners of cognitive level below 5 years

Resources you will need:

Something to **touch**:
a favourite cuddly toy or soft blanket

Something to **hear**:
A musical instrument or just your hands!

Something to **see**:
a torch, lights or coloured objects

Something to **smell**:
bubble bath, lavender, perfume

Something to **taste**:
favourite chocolate or something tasty!
